October was an exceptional month for our INFINITI Parts & Accessories Online program. Thanks to your support of our Fall Car Care Promotion, we hit **\$1 million** in combined program sales for the first time in program history.

Let's keep the momentum going. In this month's newsletter, we share how you can make the most of the upcoming holiday shopping season. Plus, learn how to utilize the SimplePart Control Panel to add in-store pick-up options for orders with hazardous materials.
